PROFESSIONAL EXPERIENCE

Synology Inc.

Taipei, Taiwan | Oct 2016 - Aug 2018

Marketing Specialist, Global Marketing Team

Led the design, implementation, and analysis of all marketing strategies in Australia, New Zealand, the Middle East, and South Africa.

Oversaw all regional marketing campaigns, delivering web page content strategy and layout design while managing development projects.

Contributed to over 23% and 60% YoY growth in positive media coverage in Australia and New Zealand.

Educated over 500 users about the company's new enterprise solutions in six technical seminars.

National Taiwan Normal University

Taipei, Taiwan | Jun 2013 - Jun 2016

Research Assistant, Chinese Semantics Lab

Published three research projects in the areas of cognitive linguistics, vocabulary acquisition, and psycholinguistics.

UX PROJECTS

Dynamo Metrics & City of Jackson

MI | Sep 2018 - present

UX Research, UX Design, Project Management

Enhanced user experience of a data visualization application customized for Jackson City's code enforcement team.

Reduced visual complexity by 90% in the final prototype using Figma.

Managed project schedule for the cross-disciplinary student team.

Food Gatherers

Ann Arbor, MI | Sep 2018 - present

UX Research, Service Design

Provide information consultation regarding food recall handling procedures for the food bank.

Apply extensive qualitative methodology, including background research, competitive analysis, and user interviews, with four other team members.

groGo

Ann Arbor, MI | Sep 2018 - present

Product Research & Design

Identified three major pain points of in-store grocery shopping through user interviews and survey.

Crafted a high-fidelity, interactive mobile solution prototype featuring a new planning experience, AR navigation and ingredient scanner with Axure RP.
